See Product Listing Addendum for certified list of products/services.

The Date on which the Certification was Granted:

November 17, 2022

The Date by which the Operator shall submit Application for Subsequent Annual Inspection:

April 01, 2023

Last Annual Inspection Date:

September 27, 2022

Amanda J. Brewster

OCIA Executive Director

This certificate is valid only to document the OCIA certification of the operation named on this certificate. This certificate is not valid for trade, but only validates that the above operation may have product eligible for certification. By accepting this Certificate, the named operator agrees to maintain compliance and follow the approved management plan. The named operator agrees that this certificate will only be used as outlined in the regulations for the COR program. This certification remains valid unless suspended or cancelled by OCIA International, Inc., pursuant to Part 13 of the Safe Food for Canadians Regulations (SFCR). An updated organic management plan and on-site inspection are required annually.
